

Come to our 1st Fall

East Coast Santa Fe Modelers Meet

November 21, 2009 at Doylestown, PA

On the Campus of Delaware Valley College

700 Butler Avenue, Doylestown, PA 18901

Student Center, 2nd Floor Coffee House

<http://www.delval.edu>

We have talked about a fall meet for several years. Finally it is happening!!!

The fall meet is planned as a Manufacturers venue to present their products and services to our membership. We are also encouraging the presenters to bring product to the meet and offer these at a special discount to those attending the meet.

This meet is open to everyone who wants to attend and, hopefully continue to participate in our future events.

If this is successful, we will start planning the next fall meet. As always the spring meet will be held as always in March/April. Look for upcoming announcements.

Special presentations, clinics, manufacturer's sale tables, white elephant tables and lots of networking time.

Agenda:

Friday, November 20 - 6pm – 11pm:

Don Borden's train room for meet and greet and the latest Cajon Pass expansion project

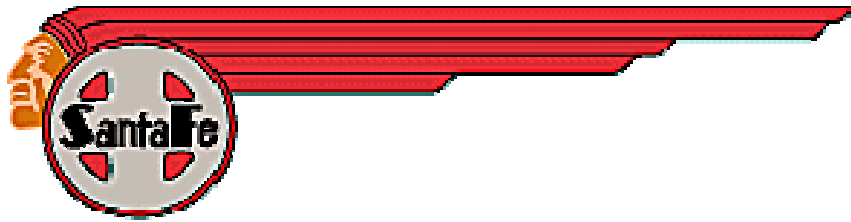

Saturday, November 21 - 9am -5:00pm

Del Val College Student Center 2nd floor, Coffee House

Clinics

- Josh Shedaker of Tonys Train Exchange
 - QSI Quantum Revolution installs and operations
 - QSI Quantum Programmer changing and adjusting sounds and operations
- Dick Bronson of RR CirKits
 - Decoder Pro and Panel Pro making panels and controlling your railroad
 - RR CirKits Tower Controller, signal, switch, and occupancy controllers

- Manufacturers Sales**
 - Tonys trains will have decoders, speakers, Digitrax systems components, etc for sale
